## AN INDIAN SKIRMISH.

A Thrilling Incident in the Survey of the Northern Pacific Railroad.

with two good Colts, cal. .44, he presented a warlike aspect. It was a singular cirty, III., in 1845, from Union County, Pa. He served in the Summer of 1872 it was decided by the officers of the Northern of the expedition approached the body and The road (there had already occurred a particle road) the Summer of 1872 it was decided by the officers of the Northern proceeded to decapitate it. When severely proceeded to decapitate it. When severely proceeding the reprimanded for his barbarous proceeding was discharged Sept. 18, 1865; was a member of Montreal Post, 176, of Stanton. An aged widow, three by the commanding officer he excused himby the commanding of the commandin decided to start two parties—one from Bismarck, on the Missouri, following the Yellowstone to the neighborhood of the Big Horn, and the other, of which the writer was a member, organized at Bozewriter was a member, organized at Bozeman, Mont., which proposed to move down the river, beginning work at a point near the Crow Agency, located on the south side. The military escort for this expedition consisted of four troops of the 2d U. S. Cav., under Lieut.-Col. E. M. Baker ("Piegan" Baker), Major, 2d U. S. Cav.; five companies of the 7th U. S., commanded by Capt. C. C. Rawn; a prospecting party of 20 well-armed men, and a guide.

About 26 six-mule teams were required

for rations and forage; and leaving Fort materially from their usual tactics, and Ellis about Aug. 1 followed the north it was apparent the exhibition of cowardbank of the river Judith Basin, to the ice saved us.

left and north, in which were immense Watching the column unobserved for days, incensed at the destruction of game, herds of buffalo.

Not very rapid progress was made the they succeeded in ambushing the comtry on this side of the river. Game was river bank, and then to content themselves seen in abundance, including antelope and with firing from the bushes and timber in buffalo, and the policy of killing these, as an early morning attack, and also refrainwill be seen, resulted in disaster, as the ing from a charge when outnumbering the Crows, as well as the Sioux, were stirred soldiers four or five to one, was not easy to anger by seeing the carcasses of dead bulls along the trail, and they were rendered more hostile by the destruction of game. Although we were entering a country badly infested with hostiles, Col. Baker seemed to anticipate no trouble, and mutilated bodies. andoubtedly displayed carelessness in the At 2 p. m. the expedition moved, fol-

Baker noticed them but little. However, was doubtless influenced in this decision ing and Idaho, topographically at least. too small for the purpose at that time.

Making about 20 miles per day, the column on the 12th, had reached a point reached the Muscleshell, on which stream about 220 miles from Bozeman, near the we found the most lovely camps; the footmouth of Pryor's Fork. The country prebills to the north showing great fertility
sented a magnificent spectacle, with the
fertile foothills stretching to the north,
slowing to the river on the opposite side.

The country prebills to the north showing great fertility
of soil, and bearing to the west we

Pertil Ross, (American Hous valley level as the plains of Kansas, and taken from the body of the young brave It having been decided to lie over, the following day, the 13th, was spent by the command in trout fishing and necessary laundry labor, the river affording the best tially clear and very warm, the thermom-

were followed, and using strong language in regard to the camp location. At night a peculiar feature of the maladministration of affairs was the fact that only a small camp guard was on duty, and they were just outside the company streets. It is well known to the survivors of that expedition and who participated in what ensued that morning, that nothing but the sue of the trace of the survivors of that expedition and who participated in what ensued that morning, that nothing but the smallpox. I didn't like the work—made me feel queer. We put each prisoner be
I a prediction did I ever work for half pay or boy's pay. I enlisted in the boy regiment, 14th Ill., Aug 23, 1864, and was discharged July 14, 1865, two weeks be-fore my 20th birthday. I went into the U. S. service for more than I bargained for—was put on detached duty, guarding Confederate prisoners stricken with smallpox. I didn't like the work—made me feel queer. We put each prisoner be-lows uniding on the Lowa Building on the two days the 19th will have the use of the large Assembly Room in the lowa Building on the two days the 19th will have the use of the two days sued that morning, that nothing but the me feel queer. We put each prisoner becowardice of the attacking party saved tween two guards, marching them from and at 2:45 a. m., while nearly all slum- Smallpox Island, opposite Alton. We were bered, opened their fire upon us. Aroused provided with rations to take to the island, from sleep in the chilly morn by the yells and they would get pretty well filled with of the Indians and shots from their rifles. smallpox germs. But what could we do? we rushed out to see a blaze of fire from We had to eat them or do without food. right to left. Many officers had been up, I was afraid of the horrible disease. I engaged, it was said, in a friendly game of "draw," and when the attack was made when I began guarding smallpox patients. Buring the war he was Surgeon of the 9th Ill. He tried eight different times, two weeks apart, but none of the vaccinations formed a scab. The last time the Doctor said: 'Go and guard at Smallpox Island all you want to; no danger of taking it. Your blood is in first-rate order.' Here is the enemy, to a point about 25 yards from camp and gave the command to lie down. Each remained in this position for what seemed an age, but was probably not over 15 minutes. During this time the glare of the Indians' gun fire—they firing high—and the warwhoops plainly showed that a good-sized band were before us, and that good-sized band were before us, and that tracted black smallpox; but that made no we were outnumbered four or five to one. Their aim, however, was wild, they firing member of the smallpox staff.' over us every shot, and they showed no disposition to charge. As left guide the writer lay on the left of his company, and frequently the balls would throw grass and Washington State: "I was born and raised

ing to do so by a few steps, and as he April 30, 1861, at Charleston navy yard. arose and passed me he was struck by a Was drafted to the old ship Mississippi. ball that passed through his head between the eyes, killing him instantly. During this time the Indians were yelling and 14, 1863, at Port Hudson. Melanethon firing, though but few could be seen in the Smith was her Commander. Lieutenant early morning light, and to the surprise of the command made no rush for the camp, although greatly outnumbering us. Had they done so the loss would have been heavy on our side. At daybreak, on the left the command was given by Capt. Rawn to give and fire. The infantry rose early morning light, and to the surprise Rawn to rise and fire. The infantry rose the of Mobile Bay under the command of and poured volley after volley into them; the brave Marchand. Prior to that battle and poured volley after volley into them; men were kept busy bringing out ammunition, and the concentrated fire of both cavalry and infantry was terrific. Every man stood to his post, and the order was finally given to charge the bushes and finally given to charge the bushes and home in 1865. I did not, like thousands slough. This was done with cheers and of others (since the war), put down the yells by the troops, and the Indians weak-ened, retreating to the bottomland be-ularly brave. I simply did what the U.

woods and bushes, and fought them for mended by my superiors for doing it well.

20 minutes or more, using a tree-trunk for a gun-rest and shelter. Many wounded Indians had reached the edge of the timber, and the main body stopped firing, described by my superiors for doing it well.

47 TH N. Y. ("Washington Grays").—Annual Reunion at Boston, Mass., on Tuesday, Aug. 16, 1994.
